

I'm Growing Up

I used to be a small boy

Now I am a young man

My body is changing

This is a good thing!

I'm getting taller

Soon I will have more hair on on my legs

Hair will grow under my arms

I might grow chest hair

And I will have pubic hair near my private:

When I am about 15, hair will grow on my face

My voice will sound lower

My penis is also growing

Soon, I will put on deodorant every day

Mom will show me how to shave

These changes happen to all boys

Sometimes, I might feel embarrassed about these changes

Sometimes, I might feel proud!

It's okay to ask questions about these changes

My Mom loves me and she understands
